

BE SAFE AND HAVE FUN ON

HALLOWEEN!

A costume mask (such as for Halloween) is not a substitute for a cloth mask.

A costume mask should not be used unless it is made of two or more layers of breathable fabric that covers the mouth and nose and doesn't leave gaps around the face.

Do not wear a costume mask over a protective cloth mask because it can be dangerous if the costume mask makes it hard to breathe.

Consider using a Halloween-themed cloth mask.
