**NEW Recycling instructions for Orange County residents**

**PLASTIC CLAMSHELLS**

#1 PETE. Clear, dry & empty. Keep out those containers that are not clear and #1 PETE.

**AEROSOL CANS/ALUMINUM FOIL & PANS**

Take EMPTY aerosol cans and clean and crumpled aluminum foil and pans to any of the five Waste & Recycling Centers (WRC) scrap metal bins, not the single stream containers. If aerosol cans are NOT EMPTY, take to Hazardous Household Waste at Eubanks Rd & Walnut Grove Church Rd WRC.

**SHREDDED PAPER**

The processor cannot accept the shredded paper, even in a paper bag. Take to Shred-A-Thons.

**KEY CONTAMINANTS (PLASTIC BAGS & FILM, BAGGED ITEMS, NON-RECYCLABLE PLASTIC)**

Contamination is costly. Rural curbside carts are 14% contaminated. **NO Full Bottles** - Empty all liquids before recycling. **NO Scrap Metal** - Take to WRC. **WHEN IN DOUBT, KEEP IT OUT!**
