

Orange County Local Reentry Council Summary

January 1, 2020 to December 31, 2020

Overview

The mission of Local Reentry Councils (LRCs) is to reduce recidivism and victimization, increase public/community safety, create a network of individuals and organizations assisting justice involved, maximize the use of existing resources and services; and develop innovative response to address gaps in resources and services. This report provides an overview of the clients served at Orange County Local Reentry Council from January 1, 2020 - December 31, 2020, as well as the services provided to these clients and their outcomes.

Note that numbers in this report may be slightly higher based on multiple entries for clients who returned for additional services or may be lower due to missing data.
